THE BALD-FACED TRUTH

ABOUT HEREFORD GENETICS

It's obvious ...Hereford-sired calves deliver a \$51 increase in net profit per cow, per year. Hereford genetics bring legendary hybrid vigor, improved fertility, feed efficiency and easy-handling docility to your program. Read the research, see why Hereford heterosis pays off, at Hereford.org/genetics.

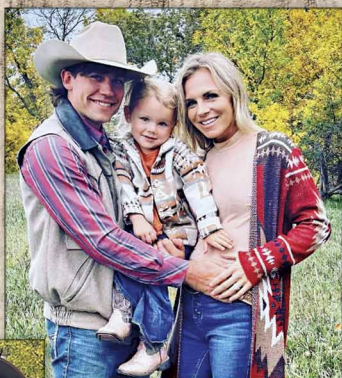

THE ELSHERE HEREFORDS PROGRAM

...built around being efficient and working wonders when crossed with black cows. We put extra focus on pigment, calving ease, milk and docility. We lease out or use all bulls as yearlings, then semen and trich test in the fall prior to the sale. Bulls are pasture tested, know how to cover country, spread out, and do the job. Bulls are pasture fed to last you a long time. We are striving to make Hereford bulls that produce great F1 Baldy females.

Everley checking on the new baby calves!

Cole, Kyndra and Everley with "one on the way!"

Andy and Donella with grandkids Everley and Keen!

Cole and Rowdy Benson's crew!

And whatever you do, do it heartily, as to the Lord and not to men. — Colossians 3:23

Photo by Richard Field Levine

My Sponsors are so very important to me being able to continue down the Rodeo road. I couldn't do it without them. I appreciate each and every one of them!
